

STEPHANIE / JAY

Saturday Night Fever The Musical 2/15/17

STEPHANIE

(surprised)

Hey, I thought you were going to be out of town.

JAY

I postponed the trip.

(he kisses STEPHANIE on the lips)

STEPHANIE

Um...Tony, this is Jay Langheart. Jay, this is Tony Manero. He's a friend.

JAY

And I'm an unspecified status, now. Wow.

(beat)

How do you do?

(shakes TONY's hand)

I figured since I was gonna be in town I'd come over and help ya with your stuff.

STEPHANIE

Oh, super!

JAY

Stephanie, I told you not to say "super." You're movin' to Manhattan now. Nobody says "super."

STEPHANIE

Right...right.

JAY

Ha! So, uh...the 'Benz is double parked over here, I guess I'll go get some more of the boxes. And oh...you can leave any furniture you got here. I left everything for you pretty much as it was, at the apartment.

STEPHANIE

What? Are you kidding? You're not gonna take any of that stuff?

JAY

Nah...I'm gonna start fresh. I mean, what the hell, you picked out most of it anyway, right?

(he smiles at TONY then exits)
