

# MONTY

Saturday Night Fever The Musical 2/15/17

**TONY**

*(finally)*

Yeah, but we're gonna have to practice. You know that, right?

**ANNETTE**

*(pleased)*

So we'll have to practice.

*(she places her hand on his shoulder)*

**TONY**

*(TONY looks at ANNETTE's hand, then at her)*

That's practice, Annette. It don't mean datin'. It don't mean socializin'. It means practice.

**ANNETTE**

Why not? We had a date--

**TONY**

Yeah, once. Once was enough.

**ANNETTE**

Why?

**TONY**

Why? Annette, the whole time you talked about your married sister. And then you was talking about your other married sister. And then, your third married sister. I got the idea that all you was interested in was being a married sister yourself. I got bored with it.

## #4 DISCO INFERNO

*(music changes...TONY turns, heads straight for the dance floor and joins...ANNETTE stares at him, speechless)*

**MONTY**

This is beautiful Monty, your delicious dee-jay, spinnin' and grinnin' that special groove to make you move. And Candy your disco siren will sing you through the fire. So let's get in line and BURN THIS MOTHA' DOWN!
