

BARRY BELSON

SCENE 24

DEEJAY AT STUDIO CONSOLE AND MIC

BARRY BELSON

And you're listening to me, Barry Belson, WCFA Radio! We're in our seventeenth hour, locked inside this studio, and yes, we're still playing the same song! I mean, is that a different sound, or what? Who are these people? Four black guys? Three guys and a girl? What can I say--I LOVE THIS RECORD!!! We're gonna see this one go right to the top, my friends. And we're gonna see it happen this Saturday, on American Bandstand! Aw, what the hey, I think I'll play it again. Here it comes, all you submarine watchers! Put down that girl and lend an ear to--The Four Seasons!
